Kooshty is a range of creatively designed products which promote a healthy and vibrant lifestyle. The offering includes inspired items which can be used as alternatives to single-use plastic.

The refreshing range of colour options can complement a wide spectrum of brand personalities, making the products in this collection ideal for gifting and promoting with your company name, logo, or message.

First impressions last, and packaging counts: where possible, the Kooshty products are presented in kraft packaging which is biodegradable, compostable and recyclable.

Simply click on the code to view the product information, additional images and check stock availability online.
