Consumables such as protective gloves, dust masks, delineators, sand bags, survey poles, hessian, squeegees, barrier netting, water barriers, We also manufacture garments to customer specification.

Why CHOOSE US?

Quality is Number One

Quality is the first factor considered by us in the garment development process. Workhorse quality is the primary reason why workers wearing our garments put them on with confidence and wear them with peace of mind. Companies that issue their employees with Workhorse garments show they care. These companies, our valued customers, are experiencing less absenteeism due to injury and increased production.
